- Are you interested in strengthening health and medical response in Southeast Colorado?
- Do you have skills that would help health-care facilities, Emergency Medical Services, First Responders or Public Health Agencies during a disaster?
- Are you interested in providing your skills when communities are most in need?
- Are you willing to deploy as a volunteer?

WE NEED YOU!

The Southeast Colorado MRC is affiliated with state and national Medical Reserve Corps.

Screening, Training, Exercising, and deploying volunteers will be done as a team.

Volunteers have the opportunity to decline being deployed to any incident.

Volunteers may participate on teams that will best utilize their skills.
